Assignment of Insurance Benefits

I, ____, understand that services rendered to me by Taylor Chiropractic are my financial responsibility and that the provider will bill my insurance company, ___________________________________ as a courtesy. I authorize my insurance company to pay my benefits directly to Taylor Chiropractic and I understand that I will be fully responsible for any outstanding balance on my account. This is a direct assignment of my rights and benefits under this policy. This payment will not exceed my indebtedness to the above-mentioned assignee, and I have agreed to pay, in the current manner, any balance of said professional service charges over and above this insurance payment.

I have been given the opportunity to pay my estimated deductible and co-insurance at the time of service. I have chosen to assign the benefits, knowing that the claim must be paid within all state or federal prompt payment guidelines. I will provide all relevant and accurate information to facilitate the prompt payment of the claim by ________________________________ (insurance company).

I authorize the provider to release any information necessary to adjudicate the claim and understand that there may be associated costs for providing information beyond what is necessary for the adjudication of a clean claim.

I also understand that should insurance company send payment to me; I will forward the payment to Taylor Chiropractic within 48 hours. I agree that if I fail to send the payment to the Provider and they are forced to proceed with the collections process; I will be responsible for any cost incurred by the office to retrieve their monies. In the event the patient receives any check, draft, or other payment to provider. Any violations of this agreement will, at provider’s election, terminate patient charge privileges with provider and bring any balance owed by patient to provider immediately due and payable.

To avoid this additional cost and inconvenience, should the insurance company forward payment to me, I authorize Taylor Chiropractic to facilitate payment utilizing the credit card on file to resolve balance. A photocopy of this Assignment shall be considered as effective and valid as the original.

I authorize the provider to initiate a complaint of file appeal to the insurance commissioner or any payer authority for any reason on my behalf and I personally will be active in the resolution of claims delay or unjustified reductions or denials.

Financial Agreement

We, the staff at Taylor Chiropractic, thank you for choosing us as your healthcare provider. We consider it a privilege to serve your needs and we look forward to doing so. We are committed to providing you with the highest level of care and to building a successful provider-patient relationship with you and your family. We believe your understanding of our patients' financial responsibility is vital to that provider-patient relationship and our goal is to not only inform you of the provisional aspects of that financial policy but also to keep the lines of communication open regarding them. If at any time you have any questions or concerns regarding our fees, policies or responsibilities please feel free to contact us at 269-694-5871. We believe this level of communication and cooperation will allow us to continue to provide quality service to all our valued patients.

Please understand that payment for services is an important part of the provider-patient relationship. If you do not have insurance, proof of insurance, or participate in a plan that will not honor an assignment of insurance benefits, payment for services will be due at the time of service unless a payment arrangement has been approved in advance by our staff.

We make payment as convenient as possible by accepting (cash, money order, MasterCard, Visa, Care Credit, and in-state checks). A $35.00 service fee will be charged for all returned checks. Additionally, you may authorize us to keep your credit card on file for your convenience, knowing that we adhere to the highest level of information security.

If no payment has been made after 90 days, your account will be sent to collections. If your bill is sent to collections, it must be paid in full before returning for services; services thereafter will need to be paid in full at the time of service.

Insurance

Please remember that your insurance policy is a contract between you and your insurance carrier. We will, as a courtesy, bill your insurance and help you receive the maximum allowable benefit under your policy. We have found that patients who are involved with their claims process are more successful at receiving prompt and accurate payment services from their insurance carrier. We do expect patients to be interactive and responsible for communicating with your insurance carrier on any open claims. It is your responsibility to provide all necessary insurance eligibility, identification, authorization, and referral information and to notify our office of any information changes when they occur.

Even a pre-authorization of services does not guarantee payment from your insurance carrier. We also require photo identification when accepting insurance information.
It is the patient's responsibility to know if our office is participating or non-participating with their insurance plan. Failure to provide all required information may necessitate patient payment for all charges. When insurance is involved, we are contractually obligated to collect co-payments, co-insurance, and deductibles, as outlined by your insurance carrier.

Please be aware that out-of-network insurance carriers often prohibit assignment of benefits and may try to limit their financial liability with arbitrary limits, exclusions, or reductions such as reasonable and customary or usual and prevailing reductions. Our fees are well within such ranges and although we will assist in the filing of an appeal if these limitations are imposed, you as the guarantor are responsible for all out-of network fees. If we are not contracted with your carrier, we will not negotiate reduced fees with your carrier.

Miscellaneous Forms, Additional Information and Authorizations
We will provide all necessary information to have your benefits released. However, if it becomes necessary to submit redundant or unnecessary information for the completion of claim forms for school, sports, or extracurricular activities there will be an administrative fee, not to exceed $35.00, for the additional information.

Missed Chiropractor Appointments
We require notice of cancellations 24 hours in advance. This allows us to offer the appointment to another patient. If you fail to keep your appointments without notifying us in advance: a missed appointment fee will incur. These fees are typically $25.00 but not to exceed half of the cost of your scheduled appointment. Repeated missed appointments without notification may cause you to be discharged from the practice so that we can provide care to other patients.

Missed Massage Appointments
We require notice of cancellations 24 hours in advance. This allows us to offer the appointment to another patient. If you fail to keep your appointments without notifying us in advance: a missed appointment fee will incur. These fees are typically $25.00 but not to exceed half of the cost of your scheduled appointment. These fees may vary depending on the patient's scheduled massage but will not exceed half of the cost of your scheduled massage: 30 min=$45, 60 min=$75, 90 min=$110. Repeated missed appointments without notification may cause you to be discharged from the practice so that we can provide care to other patients.

Medical Records Fees

Patients are entitled under federal law to have access to their protected health information, and we follow all rules, guidelines, and exceptions to ensure compliance to patient rights. However, providers also have the right to compensation for records and our fees are a reasonable cost-based fee for copies including the copying, supplies, labor, and postage of the files and or summaries.

We realize that temporary financial problems may affect timely payment of your account. If this should occur, please contact us for assistance in the management of your account. Our goal is to provide quality care and service. Please let us know immediately if you require any assistance or clarification from anyone within our business.

Timeliness of Appointments

We try to see everyone in a timely manner but if we are taking too long, please let our receptionist know so we can best serve your needs and reschedule you if necessary.

I have read and understand the above financial policy. I agree to assign insurance benefits to whenever applicable. I also agree, in addition to the amount owed, I will also be responsible for the fee charged by the collection agency for the costs of collections if such action becomes necessary.
